OFFICE OF LEGISLATIVE COUNSEL

Friday - 6 May 1977

1. (Unclassified - KSN) LIAISON Sent to Mike Schianone, in the office of Representative Tom Downey (D., N.Y.), a copy of the Agency publication entitled, "The International Energy Situation: Outlook to 1985," per his request.

2. (Unclassified - CM) LIAISON Jan, in the office of Senator James Pearson (R., Kan.), called for help in translating a quotation in a language she couldn't recognize. I suggested she try Congressional Research Service, and if she got no satisfaction there, to call back and I would put the matter to FBIS. She was grateful for the suggestion.

3. (Internal Use Only - CM) BRIEFING Apropos Representative Robert Leggett's (D., Calif.), interest in being briefed [REDACTED] I talked with House Armed Services General Counsel, Bill Hogan, and then with George Moses, of Mr. Leggett's staff. I told Moses, we would not participate in the briefing this morning; he agreed that the [REDACTED] which will participate, might answer all of the Congressman's questions if he is concerned about the Glomar's future. He will reach us if Mr. Leggett wants more information. See Memorandum for the Record.

4. (Unclassified - THW) LIAISON [REDACTED] DIA, called to correct information which he had previously given to either [REDACTED] or [REDACTED] with respect to Richard Kaufmann's, Joint Economic Committee staff, clearances for compartmented information and to alert us to a 12 May 1977 appearance by DIA before the House Armed Services Committee on direct energy.

5. (Unclassified - PLC) LIAISON Delivered to Stan Brand, General Counsel, Office of the Clerk, House of Representatives, copies of pages from Book I of the Senate Select Committee to Study Governmental Operations with Respect to Intelligence Activities which references the executive session testimony on 27 June 1947 before the House Committee on Expenditures in the Executive Departments which held hearings on the National Security Act of 1947.
